Dionne Chatel
Madi Orndorff
Janet Goodliffe

Minutes

Agenda item: Welcome & Roll Call
Meeting began at 10:30 am. **Presenter:** Teriann Parker

Agenda item: Additional Agenda Items **Presenter:** Teriann Parker

Handed out flier for CMH Roadshow. As they happen they will take them off the flier and will expand on the speaker for the conference in June. Everything is ready in Dubois. Shane Boyle could not make it today. He will be in Dubois tomorrow to work out specifics for the roadshow and hand out fliers for it. It was also suggested to check with federal health centers to see if they have any swag for the bags. So far we have: bags, pens, brochures, lip balm, and wristbands.

Until April 20th at 5pm send Teriann information for the thumb drives, then they will begin formatting them. Send them information on depression, anxiety, etc. Teriann asked everyone to put out fliers at doctor's offices and various community places. She wants to get the word out to as many people as possible. Geri brought up the cost of the jump drives and how many to print with the allotted budget. Teriann said to stay within the budget and not order the originally planned 450.

Mimi asked for a background of the groups/grant for the press release for the IF roadshow. Mimi and Teriann will meet at 1 pm today to do this. If the media comes to the event, there will need to be designated people to talk with them. Let Teriann or Mimi know if you are comfortable speaking to the media.

Agenda item: Approval of 3/18/2016 meeting minutes. **Presenter:** Teriann Parker

Discussion:

Teriann made a motion to approve the minutes. Minutes were approved.

Agenda item: Blue Cross Grant Update **Presenter:** Teriann Parker

Discussion:

The plan for May 3rd the 6 speakers will start at 2:30 in the EIPH conference room. The presentation for the winners of the poster contests will be from 4:30-5:30. If the walk happens it will also be between the 4:30-5:30 time frame. Steve was supposed to find out who was funding the children's walk, he still isn't sure how far it will go. Budget of \$1000 for gifts for the winners. April 22nd at noon the subcommittee will meet at EIPH (location TBD) to decide the winners. Angie is taking care of the prizes and will work with Geri for the payment of those from the state budget. She is planning on doing 11 baskets with art supplies so the winners can further their talents.

Agenda item: Idaho Federation of Families

Presenter: Steve Graci

Discussion:

Steve was on the phone for the meeting. They got the go ahead for two speakers for the event; Logan Zuck and a doctor from BHC. It is set to take place Friday May 13th @ 2:30 pm. Steve would also like the information for the poster contest winner ASAP.

The family support trainings will take place May 16-20th. They are anticipating follow-up trainings for those that become certified, and their intention is to do at least two more trainings. About 6 or 7 slots are available still for the training. Contact info Kathygneiting@ymail.com or look on their web page for any more questions/information.

Agenda item: CMH Awareness Day May 2016

Presenter: Teriann Parker

Discussion:

Remind schools/clinics that the submission date is quickly approaching. The posters can be dropped off at any health district building. We at least need a copy to be sent to the offices so it can be judged if it cannot be mailed in time.

Agenda item: State Planning Council Report

Presenter: Holly Molino

Discussion:

Holly did not have any new information to report. The next meeting is April 25th.

Agenda item: Public Comment

Presenter: Teriann Parker

Discussion:

Child abuse grants are due April 20th. Generally, they are about \$10,000.

Angie reminded the group about the training for Family Support Partners Program. Overall there are 75 spots available (25 from each hub). The parents go through an extensive screening process to get approved and make sure it is a right fit.

April 27th & 28th Webex for providers for learning to administrate family support.

Other Information

Other Business:

Adjourn:

Meeting Adjourned at 11:31 am.

Next Meeting:

May 20, 2016 at 10:30 am at Eastern Idaho Public Health (EIPH), 1250 Hollipark Drive, Idaho Falls.
