

EASTERN HEALTH COLLABORATIVE

MISSION

The Eastern Health Collaborative (EHC) is established to improve the community's understanding of the Patient-Centered Medical Home (PCMH) model and to assist clinics in the transformation to that model of care.

VISION

The Eastern Health Collaborative (EHC) will support practice transformation through collaboration, resource sharing, and the fostering of relationships within the Medical-Health Neighborhood. This transformation will assist in establishing a thriving and healthy community and achieving the quadruple aim of healthcare.

Statewide Healthcare Innovation Plan (SHIP) is supported by Funding Opportunity Number CMS-1G1-14-001 from the U.S. Department of Health and Human Services, Center for Medicare & Medicaid Services.
